## SKILLS SUMMARY

**Languages**: Python, C
**Frameworks**: Pandas, NumPy, Matplotlib, HTML, CSS, JS
**Tools/Platforms**: GitHub, VS Code, Google collab
**Soft Skills**: Leadership, Problem-Solving, Communication, Project Management, Adaptability

## PROJECTS

**Drill Core Lithology Classification System** | Link — Apr 2025

- **Designed an ML-based system** to automate lithology logging from drill core images, reducing manual geological analysis effort.
- **Built a Random Forest classification pipeline using** Scikit-learn, integrating preprocessing, feature scaling, and label encoding.
- **Assessed model performance** using accuracy, precision, recall, and confusion matrix to ensure reliable predictions.
- **Produced data visualizations** of lithology using Matplotlib and Seaborn to support analysis and decision making.

**Tech:** Python, Scikit-learn, Pandas, NumPy, Matplotlib

**AI-Based Smart Dustbin (IoT + Automation)** — Mar 2025

- **Architected a smart dustbin system** utilizing sensor-based automation to improve waste management.
- **Programmed** microcontroller-driven control logic with ultrasonic sensing for touch-free lid operation.
- **Enabled real-time waste** level monitoring aligned with smart-city and public hygiene applications.

**Tech:** Arduino/IoT, Embedded C, Sensors, Automation Logic

## TRAINING

**Summer Internship – Lovely infotech | certificate** — July 2025

***Training:***

- Developed a strong understanding of algorithmic paradigms including **Sorting, Searching, Recursion, Backtracking, Divide-and-Conquer, Dynamic Programming, and Greedy Techniques**.
- **Implemented optimized solutions for time and space efficiency** in problem-solving and coding
- **Developed a program to detect emergency situations** on highways and automatically notify the concerned highway authority.

## CERTIFICATES

- Oracle Cloud Infrastructure AI Foundations Associate – Oracle University | certificate — Mar 2026
- Cloud Computing – NPTEL | certificate — Apr 2025
- Computer Communications – Coursera | certificate — Nov 2024
- Responsive Web Design - Free Code Camp | certificate — Nov 2023

## Extra-Curricular Activities

**National Service Scheme (NSS)**

- Actively participated in NSS initiatives contributing to community development and social welfare.
- Engaged in awareness drives, cleanliness campaigns, and public service activities.
- Collaborated with diverse teams, enhancing leadership, communication, and teamwork skills.

## EDUCATION

**Lovely Professional University** — Jalandhar, Punjab
*Bachelor of Technology - Computer Science and Engineering; CGPA: 6.20* — *Since August 2023*

**Bhashyam Junior College** — Guntur, Andhra Pradesh
*Intermediate-Percentage: 71%* — *June 2021 - Apr 2023*

**Live IIT Olympiad School** — Guntur, Andhra Pradesh
*Matriculation; Percentage: 96%* — *April 2020 - March 2021*
